La Isla del Encanto

Kristen attended the SYTA (Student Youth Travel Association) Summit in San Juan, Puerto Rico last month. She met new contacts, learned some valuable information and enjoyed some sightseeing. Check out the [photos](#) and info about why it's a great place to take students.

Spring Conferences

Stop by our booth at the following conferences for some CETA swag and enter to win a travel scholarship for one of your students.

Scholarship Winners!

Congratulations to our scholarship winners. While it is always difficult to choose the recipients, we enjoy learning about the applicants. In addition to the 5 - \$500 scholarships awarded by CETA, two students from Centennial HS in Circle Pines, MN split a \$500 scholarship that their teacher won in our raffle at the MCTLC Conference.

Trip Payments

We have had a great response to our new online payment portal. Many travelers are choosing that payment method to make their payments. Teachers still need to collect the initial deposit (check or money order) and application.
